

## **Podcasting in the Classroom**

Explanations and Instructions

Audio Tours

Interviews

Advertisements

Radio Shows

Reflections

Story Books

Peer Teaching - bigger kids create podcasts for smaller kids

Stories you have written - record with sound effects and your background music

Recording students reading - whilst you do a running record.

Use photobooth for the chn to read into

Chn can create audio scavenger hunts - follow the directions around the school and gather images of where they go (and what they have to see)

AND, a Podcast
